**MONTHLY AIR PERMIT APPLICATION WORKSHOP FOR FIRST-TIME APPLICANTS, CONSTITUTION HALL, LANSING, MICHIGAN.** For most first-time applicants, completing the Permit to Install application is a daunting task. However, submitting a complete and timely application can be more manageable if you know what's expected. The Michigan Department of Environmental Quality is offering this workshop designed to give information on how to submit a complete permit application. Since this workshop is geared to first-time applicants, a significant portion of the session is devoted to your specific application. Air Quality Division permit engineers will be available to discuss your permit application with you one-on-one. To take full advantage of this time with the permit engineer, it is recommended you bring detailed information about your project with you to the session. This training is designed for first-time air permit applicants who need help completing their permit application; however, those who have applied before and need a refresher are welcome to attend as well. Online registration is available on the Web at [www.michigan.gov/deqworkshops](http://www.michigan.gov/deqworkshops), click on "Upcoming DEQ Workshops". Registration Fee: \$25, which includes parking in the Ellis Parking Lot on the east side of Constitution Hall and training manual. Information Contact: **James Ostrowski**, Environmental Science and Services Division, 517-241-8057, or Email at [ostrowsj@michigan.gov](mailto:ostrowsj@michigan.gov). Registration Information: **Environmental Assistance Center**, 800-662-9278, or Email at [deq-ead-env-assist@michigan.gov](mailto:deq-ead-env-assist@michigan.gov).

**CLIMATE CHANGE AND ALTERNATIVE ENERGY CONFERENCE, LANSING COMMUNITY COLLEGE, LANSING.** The East & West Michigan Chapters of the Air & Waste Management Association and the Environmental Law Section of the State Bar of Michigan are jointly sponsoring a fall conference about Climate Change and Alternative Energy. The program will include speakers from the front line of the climate change debate and those changing the way we power our lives. The Michigan Department of Environmental Quality is a planning partner on this event. For more information, go to [www.emawma.org](http://www.emawma.org), or contact, **S. **WATER AND WASTEWATER CONSTRUCTION PERMITS WORKSHOP, LANSING COMMUNITY COLLEGE, WEST CAMPUS, LANSING.** If you're interested in improving your turn-around time for obtaining Act 399 Water System Construction Permits (Michigan Safe Drinking Water Act) and Part 41, Wastewater System Construction Permits, of Act 451 (Natural Resources and Environmental Protection Act), the Michigan Department of Environmental Quality (DEQ) can help! This one-day seminar will show communities, developers, and consulting firms how to ensure the quickest review and permitting of projects. Along with reviewing checklists and common problems that hold up processing of applications, the DEQ will review its new Expedited process along with the existing Streamline process for water main and sewer main construction permitting to provide for even faster application reviews and permit issuances. Anyone involved in water and sewer construction permitting should attend. Online registration is available on the Web at [www.michigan.gov/deqworkshops](http://www.michigan.gov/deqworkshops), click on "Upcoming DEQ Workshops". Registration Fee: \$125, which includes continental breakfast, lunch, and workshop materials.
